Involved Parenting Classes

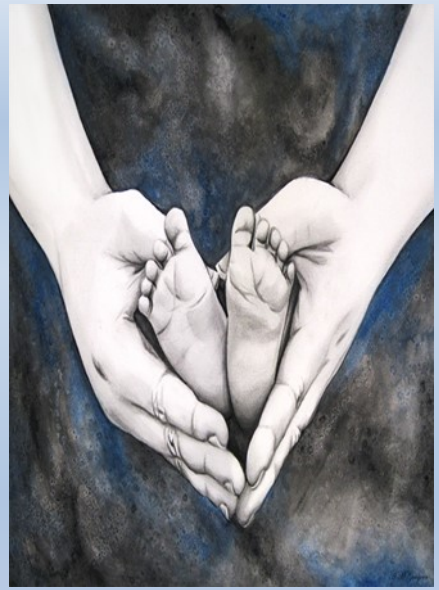
Occupational Enterprises, Inc.



This in-depth 6-session comprehensive parenting class, taught by a Certified Parenting Instructor, will educate parents in a variety of areas that will ultimately help improve and build parenting skills. Participants will receive a certificate of completion after participating in all 6 sessions. Informational sheet with curriculum outline is available.

Enrolled participants may start with any session and will continue until they have completed all 6 sessions.

The instructor will make every effort to contact participants in the event of inclement weather or other emergency.

In order for parents' full attention to be focused on the class, children may not attend sessions with parents; child care is not provided.

Involved Parenting class will educate parents in a variety of areas that will ultimately help improve and build parenting skills, including;

- Parenting styles and related child characteristics
- Understanding who our children are
- Being present: The best gift you can give your child is YOU!
- Role modeling for children
- Empathy
- Communication
- Discipline
- Stress Management
- Children and Divorce
- Co-Parenting, Step parenting and Single parenting
